Rules

This is a detective game played entirely inside this PDF. Click the blue buttons to make your choices and move between pages.

Your inventory is shown at the top of every page. Some choices are greyed out until you are carrying the right item.

Page numbers are shuffled, so flipping ahead will not help you. Use the buttons, not the scroll bar.

Start game

Inventory: empty

Hallway

A dark hallway. The kitchen is to your left, a locked door straight ahead.

Go to the kitchen

Examine the locked door

Inventory: key

The Vault

You found the evidence! The case is solved.

Play again

Inventory: empty

The Locked Door

A heavy oak door with a keyhole.

Unlock it with the key (locked)

Step back

Inventory: key

The Locked Door

A heavy oak door with a keyhole.

Unlock it with the key

Step back

Kitchen

A rusty key lies on the counter. You pocket it.

Back to the hallway

Hallway

A dark hallway. The kitchen is to your left, a locked door straight ahead.

Go to the kitchen

Examine the locked door
